Road closures on Thursday, September 18th

Dear citizens,

On Thursday, **September 18th**, the Luxembourg Times BusinessRun will celebrate its eleventh edition. Under the motto "Run & Dance", the sportiest company meeting in Luxembourg enters the next round. This run covers a distance of five kilometers.

The starting signal will be given at **6.30 pm** at the Coque. From there, the route leads straight ahead from Rue Léon Hengen over the traffic circle at Chamber of Commerce into Rue Alcide de Gasperi and then turns right into Rue Albert Wehrer. The route then continues along Rue Antoine de Saint-Exupéry. Through Rue Léon Hengen the running course goes in the direction of Boulevard Konrad Adenauer. After the runners have run along Boulevard Konrad Adenauer to the traffic circle at Chambre des Métiers, the route continues straight ahead along Boulevard Konrad Adenauer into Rue Albert Borschette. Via Rue Richard Coudenhove-Kalergi, the running route turns left into the park and then directly back towards the Coque. The exact route can be found on the back side of this letter.

Such an event is inevitably associated with road closures and traffic disruptions. The roads leading to and from the race route, as well as the roads along the route itself, are particularly affected. All roads used as running routes will be closed from **approx. 6.00 pm to approx. 7.15 pm**. After the last runner has completed the course section, the road closures will be reopened. Wherever possible, detours will be set up. The traffic on Boulevard Konrad Adenauer can also flow in both directions during the run. Please also note the information on local radio, television and in newspapers.

We kindly ask for your understanding regarding these disruptions and recommend planning your appointments in such a way that you do not have to travel by car on the affected roads on Thursday evening, September 18.

Further information on the event can be found at www.business-run.lu

We thank you for your understanding and hope that you will follow the Luxembourg Times BusinessRun with interest, cheer on the runners or enjoy the after run party in the Coque!

With sporting greetings

Your BusinessRun-Team
