Register now & bring your team spirit to the course

Online registration for the Luxembourg Times BusinessRun is now open! Companies, institutions and running enthusiasts can now sign up their teams for the BusinessRun Luxembourg. The popular mass participation event will return on Thursday, 17 September 2026.

As in previous years, the starting signal will be given at 6:30 p.m., marking the beginning of an evening full of movement, motivation and true team spirit. Whether you are a passionate runner or just getting started, an ambitious corporate team or an after-work jogger – everyone is welcome who wants to get active together and share a special experience with colleagues.

Participant registration as well as the booking of additional services, such as team areas, is now available at www.business-run.lu. Until the official registration deadline on Monday, August 31, 2026, the participation fee is €33.00 plus VAT per person.

Around the run, participants can look forward to a varied supporting program with live music, catering options and a relaxed after-work atmosphere – ideal for celebrating together after the sporting activity, exchanging ideas and experiencing a strong sense of regional community.

So gather your colleagues, get your running shoes ready and be part of it when Luxembourg gets moving again on September 17!

All the latest news about the company run at www.business-run.lu, info@business-run.lu or on Instagram, Facebook and LinkedIn.
